

Hello Tioga ISD Parents!

One of our campus goals this year is to improve our communication with you concerning our many district and campus student events. One of the ways we have attempted to improve our communication to you has been to update our school website. Our website can be found at www.Tiogaisd.net . We invite you to visit our new website and see the many things it has to offer. Here is a quick preview of some of the most viewed information available to you.

Key points to remember:

1. The website is maintained and updated on a daily basis in an attempt to offer you the most current dates, times, and activities.
2. It is our goal to keep this information as up to date and as accurate as possible. Please feel free to call us at 940.437.2366 should you have any questions regarding any events or information posted on our website.

CALENDAR OF EVENTS:

The fastest way to find a calendar of events is to click on *Calendar* link located at the top of the Tioga ISD webpage. This will take you to our campus *Calendar* and will show you the many student activities we have going on here at TISD. This same calendar can also be reached by clicking on the "*View Complete Calendar*" link located in the bottom right hand corner of the Home Page.

UPCOMING EVENTS:

This information is located to the immediate right of our picture slide show. It is a quick way to see major events that are on the school calendar. Clicking on any date in this section of our website will take you to a link providing you more information about that specific event. To the right of the photo slideshow, there is the *Upcoming Events* list that posts the events for the current week.

STAFF DIRECTORY:

Clicking on the STAFF DIRECTORY link located in the main link sections on the top of the page will provide you with email addresses for our TISD employees. Our teacher and faculty check their e-mails periodically through out the day and respond as soon as possible.

BREAKFAST/LUNCH MENUS:

For a monthly calendar showing the breakfast and lunch menus, please click on the "For Parents" or the "For Students" QUICK LINKS located on the left side of the Home Page. The "Menus" link will show you the menus for the current month.

Once again, we understand that communicating our campuses student activities is very important to you as you attempt to create your family calendars for the month. It is our goal to keep the information on our website as accurate and as up to date as possible. We hope you find our website convenient and easy to use. Please feel free to contact the office for any questions regarding navigation or current postings on our web site.

Sincerely,

Bess Gressett
Principal, Tioga ISD
