

T.E.C.D.C. After School & Day Camp Program

T.E.C.D.C. has an after school program for kids in Tioga ISD. This program starts each day when the students are let out of school and closes at 6:00p.m.

After school kids get time to do their homework, socialize with their school friends and play games inside and out! The children will receive a snack, make arts & crafts and may even make a new friend or two! The activities are pre-planned by the lead teacher and are posted for parents to review. Fridays are movie day...popcorn included!

The center also offers full-day camps on various days school is not in session. Contact the office for more information.

What others say about T.E.C.D.C.....

Our two boys (8 and 4) have attended the TECDC year round since it opened, with the youngest starting in the baby room. They particularly love summer camp and going to the ECDC when there are school holidays, which is a great convenience for working parents like us. I know the boys love their time at the TECDC, because even when I give them the chance to stay home, they always opt to go to camp to enjoy the activities and spend time with friends! We couldn't be happier with the TECDC and the teachers and staff that care for our children there! --Rachael & JB McAden

"We love Tioga Early Childhood Development Center! It means so much to us to know our children are loved at daycare just as much as we love them. We cannot imagine trusting our children to anyone else!"---Allison & Jared McGill

"TECDC has a warm, friendly staff and outstanding facility that creates an ideal childcare option that helps put a parent's mind at ease"---Lesley Evans, Tioga ISD 1st Teacher

Tioga ISD presents.....

Your child's home away from home

T.E.C.D.C. is a state-licensed, school owned organization with guidance from the Tioga ISD school board and has 501c3 non-profit status. T.E.C.D.C. provides families with quality child care in a nurturing, family-centered environment.

Our mission is to provide an educationally and developmentally-appropriate childcare program. The center's goal is to encourage each child to develop his or her unique potential and to continue growing with the Tioga Independent School District.

T.E.C.D.C. provides full-service daycare for children, serving two nutritious meals and snacks daily, in a purpose-built facility with age-appropriate indoor and outdoor spaces. T.E.C.D.C. serves children 6 weeks to 12 years of age and has a full-day school-age Summer Camp program.

Every teacher and support staff member are required to have 24 hours of training every 12 months. They must also have current CPR & First Aid certifications. The director has a Director Certification and more than 15 years of childcare training and experience.

T.E.C.D.C. Curriculum

At the center, our goal is to facilitate and encourage each child's natural growth and development in the following areas:

- Cognition: Thinking, reasoning, problem solving
- Language: Responsive and expressive communication
- Physical: Gross motor (large muscle, coordination); Fine motor (small muscles, dexterity)
- Social: Respect and empathy for others; Peaceful conflict resolution
- Self: Family, adult, and peer interaction; Identifying interests and abilities
- Emotional: Recognizing and expressing feelings appropriately
- Creativity: Spontaneity, exploration, originality
- Academic: Gradual skill development

We believe the best way to accomplish these goals is to provide a child-centered environment where free choice and experimentations with concrete materials are a priority. Because young children learn best through play, we provide a variety of opportunities for self-directed play and exploration.

Parent Involvement

Parents are welcome in their child's room at any time. Parents may be asked to come into the classroom to share their experiences, talents, or cultures. Throughout the year T.E.C.D.C. invites parents to participate in classroom parties. Each classroom may also have a room parent that acts as a liaison between the administration and the parents, helps organize parent volunteers, and facilitates communication between parents.

Tioga Early Childhood Development Center is a vendor for Workforce Solutions Texoma. Workforce Solutions Texoma can provide financial assistance for families who need help paying for child care so they can work or go to school. If you think you qualify for financial assistance, you can contact Workforce Solutions Texoma at (903)463-9997 or 1(888)813-1992 and ask to speak to a child care representative.
