

Tioga High School Google Classroom Codes 2020-2021

We have been working the past few weeks to get each student their schedule for this coming school year. Since we are going to begin the first four weeks of the school year with remote instruction, every student will need to join each one of their classes in Google Classroom. All students will use the Google account that has already been set up for them through Tioga ISD.

1. To sign up for your classes in Google Classroom you will need to have the most up-to-date schedule of classes from the Ascender Parent Portal. Parents will need to log in to the Ascender Parent Portal to view your schedule. Class balancing and adjustments have resulted in changes to a few student schedules, so it is important to make sure you are looking at the most accurate version of your schedule. If you need assistance contact Mrs. Hall by email at sondra.hall@tiogaisd.net.
2. Go to **Google Classroom**, which can be accessed through the Tioga ISD home page or by logging into your Google account through www.google.com, and click Sign In.
3. Sign in with your **Tioga ISD** Google Account.
 - Enter your username. Tioga ISD student account usernames are structured as such: `firstname.lastname.gradyear@tiogaisd.net`.
 - Enter the password that you have already been using to login into your Google account.
4. Look at your schedule to find each teacher and class you currently are scheduled to have each period of the day. Then use the [2020-2021 Google Classroom Codes](#) document, found on the next page. Once you have both your schedule and the document you need to find the period, teacher, and class to get the code you will use to join the Google Classroom for each class.
5. On the Classes page, click Add. **Join** class.
6. Enter the code and click **Join**.

As always there are a few adjustments that have to be made to the schedule when students request a schedule change. Sometimes that results in having to move different classes around in the schedule. If you do not see the correct class for each period contact Mrs. Patton by email at mindy.patton@tiogaisd.net.

If you need help with your username and/or password contact Mrs. Ballinger at garra.ballinger@tiogaisd.net.
