

Career Preparation 1

Course Description

Career Preparation provides opportunities for students to participate in a work-based learning experience that combines classroom instruction with business and industry employment experiences. It provides technical knowledge and skills for student to further their education and succeed in current or emerging professions.

Course Objectives

- To prepare students with a variety of skills for a changing workplace, as well as prepare them for college and career success.

Course Information

The scope and sequence of this course will be developed around the TEKS for this course. The TEKS for Career Preparation I can be found at:

Conference 3:00-3:34 p.m.

Rules

1. No food in the classroom.
2. Water in a clear container with a lid permitted.
3. Bring required supplies to class everyday.
4. Class begins immediately after the tardy bell. Be seated and ready to begin.
5. Students will not adjust chairs, thermostats, or anything else in the classroom unless directed to do so by the teacher.
6. All vandalism is prohibited.
7. Students must have a hall pass when leaving the room.
8. Your computer monitor must be viewable from the back of the room.
9. Be respectful of me and the other students.
10. Keep the classroom neat and clean. Pick up after yourself.
11. Class is not over until dismissed by the teacher.
12. Stay seated until dismissed.

Consequences

Consequences for disobeying classroom rules may be any of the following:

- ❖ Students may be required to complete additional assignments.
- ❖ Students may be required to attend detention.
- ❖ Students may have their computer privileges revoked. During revocation, any assignments requiring school computer use will result in a zero for that assignment.
- ❖ Students may be sent to the principal's office for additional disciplinary action.

Please keep absences to a minimum. Arranging make-up time in the lab can prove difficult.
