Tioga Homecoming Parade Guidelines

- A licensed driver and proof of insurance is required for any vehicle in the parade. To pull a "float" with passengers, the driver must be over the age of 18.
- Float riders may toss candy/spirit items to spectators.
- The individual organizations are responsible for their parade entry and vehicle.
- All parade participants must remain in their assigned order.
- Parade participants will start lining up along the Gene Autry and Porch Street area.
- All parade entries must arrive and be checked in no later than 2:45.
- Upon completion of the parade route, all parade participants will end at Tioga High School for a community Pep Rally. Floats will park in the gravel lot during the Pep Rally, after which they will need to be moved by 4:00 pm in preparation for the Community Tailgate Events in the High School Courtyard, as well as the Homecoming Court activities that begin at 6:30 pm.

As the official sponsor of a parade entry in the 2019 Tioga Homecoming Parade, I agree to the guidelines established above.
