Save a Life™

Texas Department of Transportation

Texas A&M AgriLife Extension Service's Watch UR BAC program in cooperation with TxDOT, offers an interactive program using visual aid and education for parents, school nurses, school resource officers, and school administrators on the recent trends in alcohol and drugs.

Topics Include:

- Items sold at local smoke shops and convenient stores
- Clothing that might have drug references or stash pockets/stash containers
- Social Hosting
- Vaping, E-cigarettes, and Juuling
