

Dear Parents,

January 8th 2020

Your school has partnered with Aim for Success to provide sexuality instruction to your children. According to the Texas Education Code, all parents are required to be notified of the upcoming instruction and given the opportunity to preview the content the students will be receiving. Aim for Success is a nonprofit, youth health education organization whose mission is “helping young people make healthy choices that will give them freedom to reach their dreams and goals”. Founded in Dallas, Texas in 1993, over 2.6 million students, parents and educators have been served. You can visit the Aim for Success website at www.aimforsuccess.org or contact the school if you have questions.

Please attend the Parent Program to preview what your child will see and receive creative ideas to help your child understand the benefits of waiting for sexual activity until marriage.
