

Tioga ISD COVID-19 Monitoring

This sheet is to provide up-to-date information regarding COVID-19 among staff and students in Tioga ISD. This information will be updated every Friday. Notifications of positive cases are to be provided to the campus the individual attends. This information may differ from the [Grayson County OEM](#) data as we are reporting on all students or staff that attend or work in TISD.

"Active" cases indicates the number of individuals who tested positive for COVID-19 and are currently isolated due to infection and have not yet met the "return-to-school" criteria. "Currently Quarantined" indicates the number of individuals currently quarantined and monitoring for symptoms due to possible exposure with an active case and have not yet met the "return-to-school" criteria.
