

# Tioga High School

## Sr. BETA Club

### State Convention T-Shirt Sponsorship

Please help the Tioga High School BETA Club by purchasing space on the back of our annual T-shirts. BETA members will be competing virtually in February for our competition, with the goal of placing to attend nationals in Orlando, FL in June. Each student requires a \$20 entry fee to compete, and this is where we need your help.

Tioga High School's BETA Club is a community-service based honor organization. Members must place at the Texas State Convention's competitions to advance to the National Convention. This year we have nearly 50 students entering to compete.

**Deadline for sponsorship: January 8<sup>th</sup>**
