

ATTENTION EXAMINING PHYSICIAN

Texas state law requires spinal screening for 10 and 12 year old girls (Fall of 5th and 7th grade school year) and 13 year old boys (Fall of 8th grade school year). As part of this student's physical, please include an exam for spinal conditions including scoliosis, kyphosis and lordosis. We appreciate your help!

Name: _____ School: _____

_____ Spinal Exam (including forward bend test) WITHIN NORMAL LIMITS

_____ Follow-up Indicated

Comments/Recommendations/Restrictions for school setting:

Physician's Signature
