- Discussion and update of stock medications provided by Lisa Neal. Efforting continuing despite barriers and a slow down in the process.
- Discussion of PE Curriculum alignment for PE and all of specials provided by Lisa Neal.
- Discussed briefly: the PE curriculum committee that met, their goals and outcome of alignment of specials with laid out/documented teacher expectations as well as Class Dojo now being utilized by all teachers PK-8th (including all specials teachers) to be able to better mainstream communication with parents.
- Summarized the "YES" program presentation taking place on 10/1/25 for students grades 6-12 to fulfill required TEKS related to mental & sexual health.
- Discussed current student involvement activities with recently added Elementary Beta Club, Middle School Beta Club and High School Beta Club as well as Middle School & High School Student Council which are all very active.
- Discussed having a club/extracurricular information night for a district wide opportunity for ALL clubs, groups and extracurricular programs to have a table in one location to share information and answer questions to benefit students and parents in gathering knowledge.
- Discussed current school-parent communication platform use (Class Dojo for PK-8th, One-call for district wide communication). Discussed pros and cons with main cons being that the message gets lots in the text messages and emails making it difficult to find later. Discussed a new option (Parent Square app) which allows notifications to stay on a feed page for lasting communication abilities and convenience.
- Discussed the current energy drink policy for students, including the need for more consistent enforcement and barriers to enforcing.
- No open floor discussion ideas or concerns were shared.
- Motion made to adjourn meeting at 6:40 pm. 2nd by Pam Moore
